Home service lead system in HighLevel

Pipeline, follow-up workflows and a quote funnel

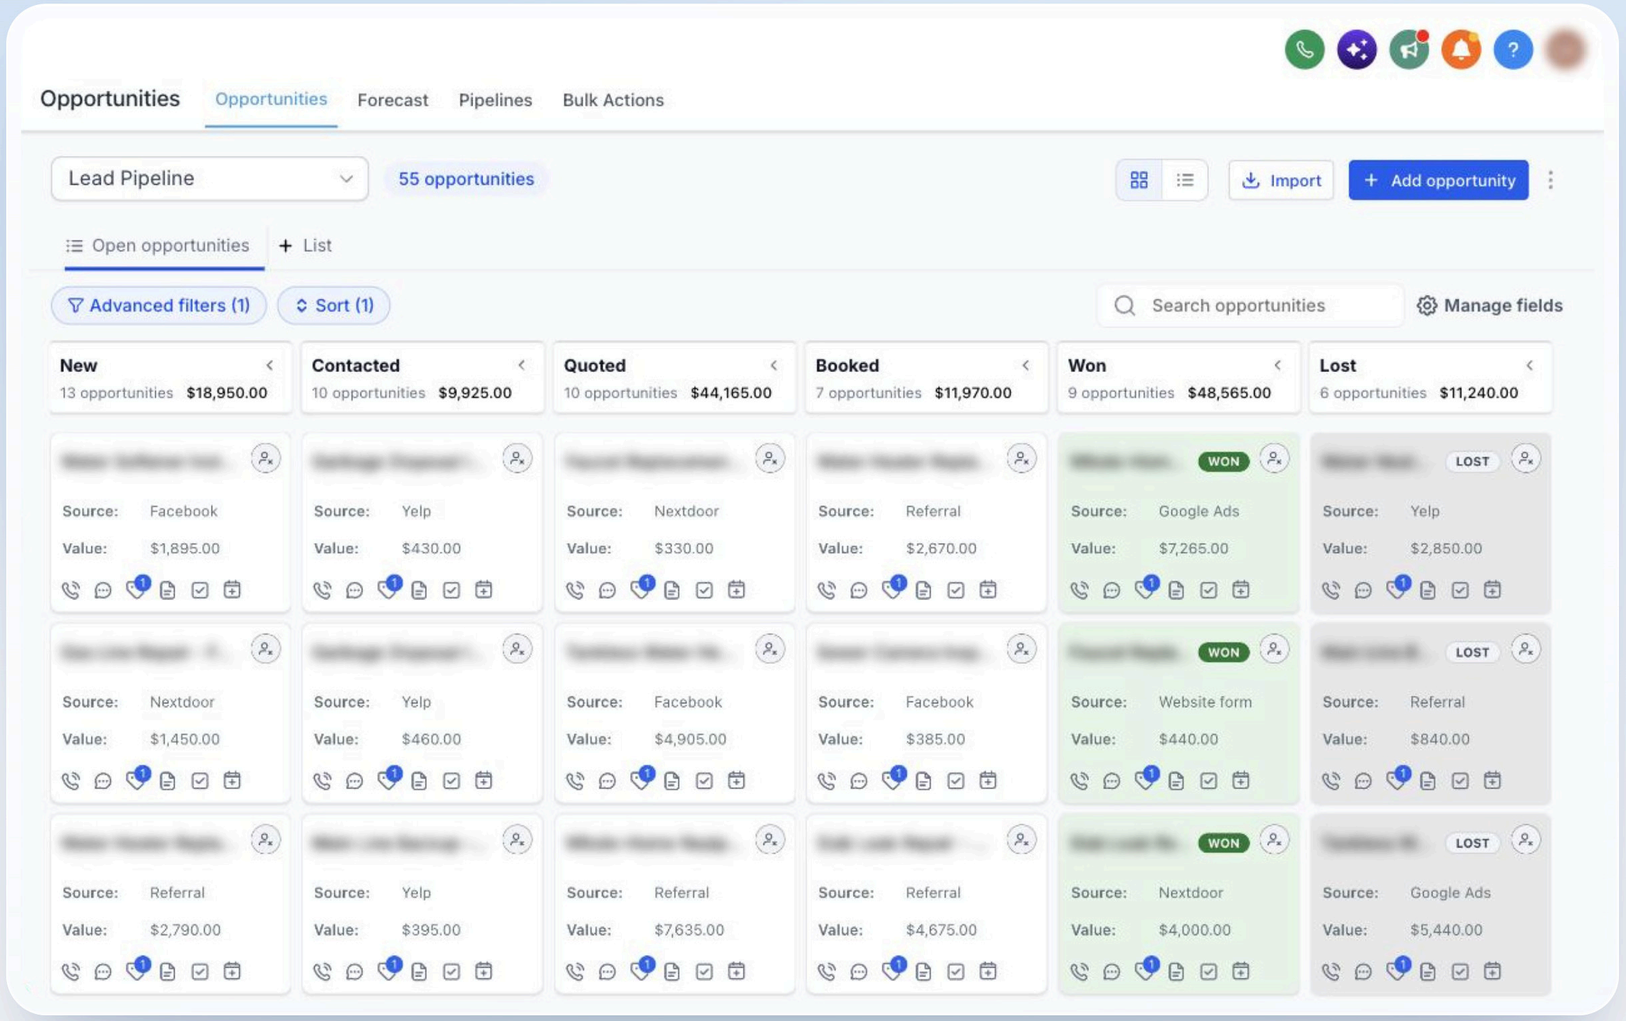

Lorenzo Villarreal

PIPELINE

Lead pipeline

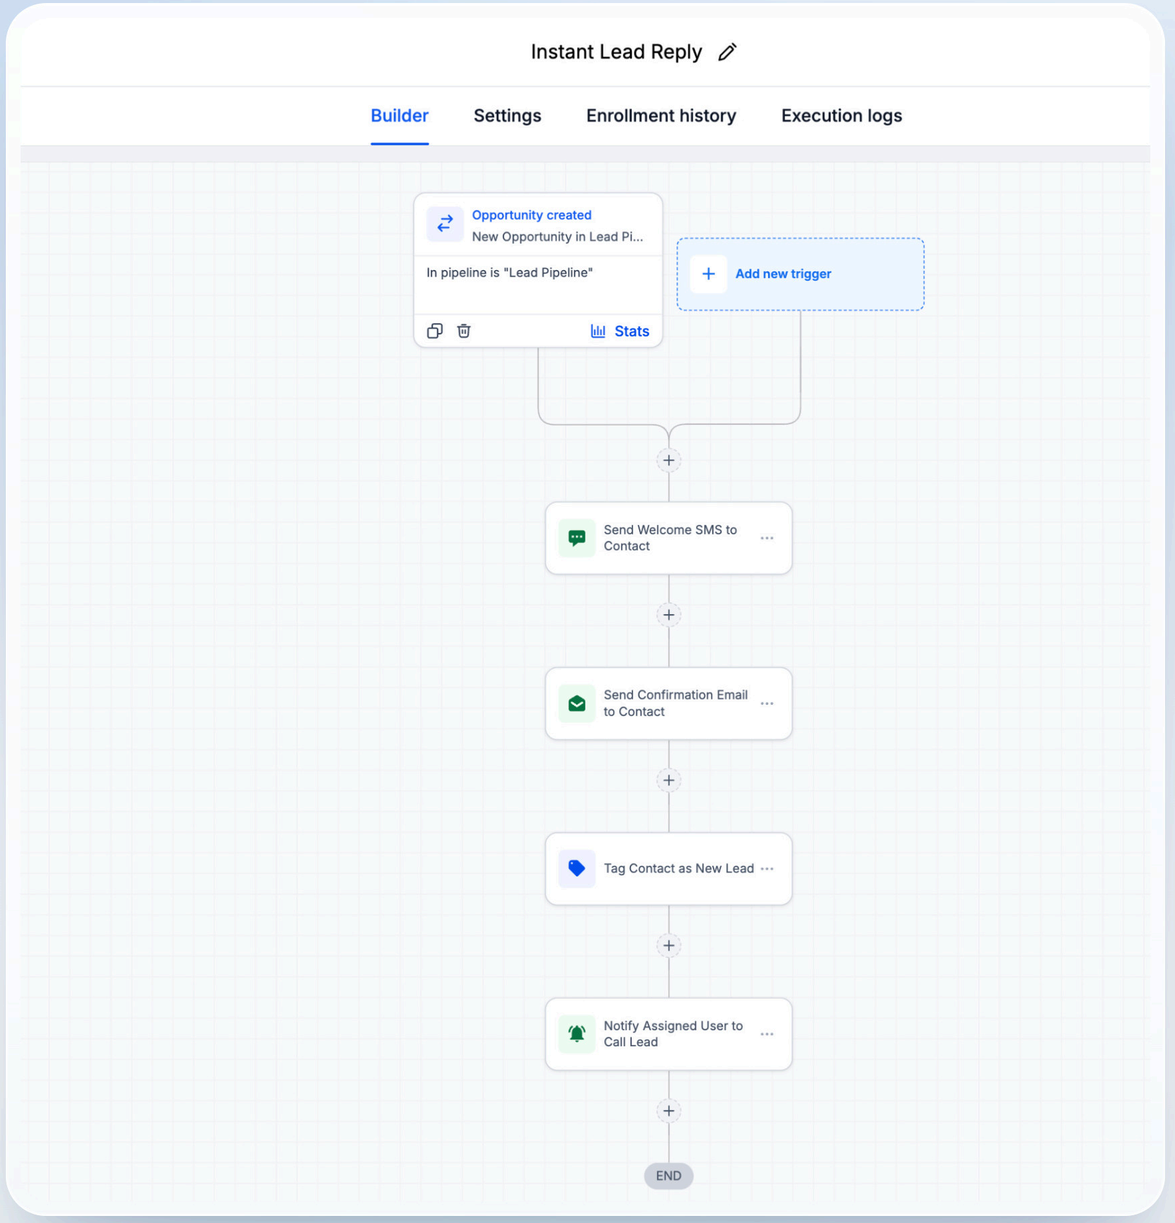

Every lead tracked from first contact to won or lost.

WORKFLOW 01

Instant Lead Reply

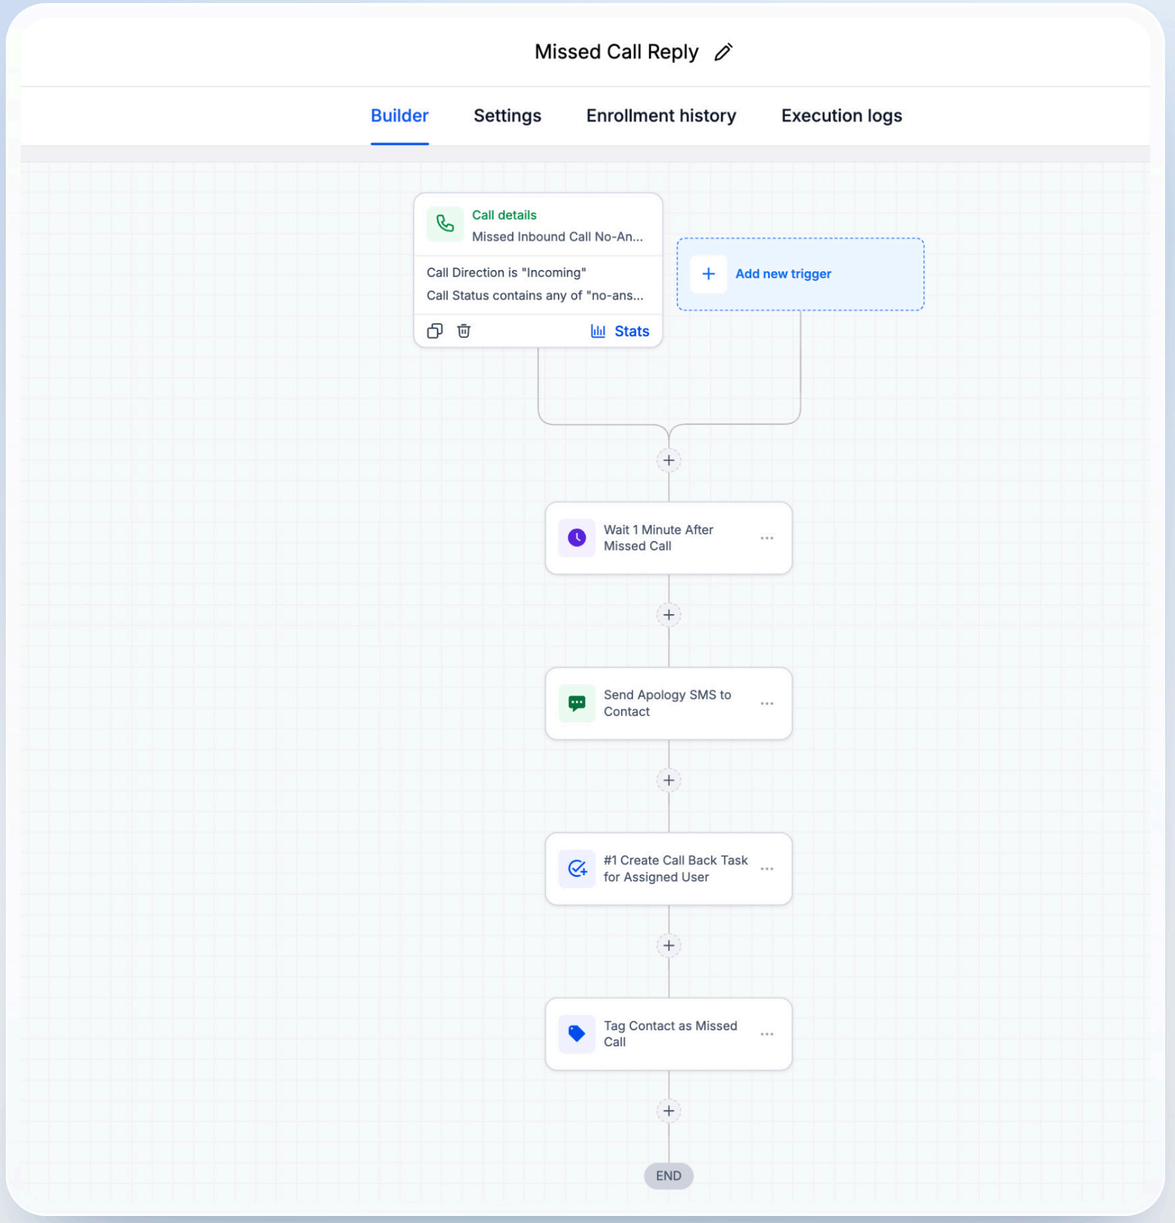

New leads get a text and an email right away, and the rep gets a call alert.

WORKFLOW 02

Missed Call Reply

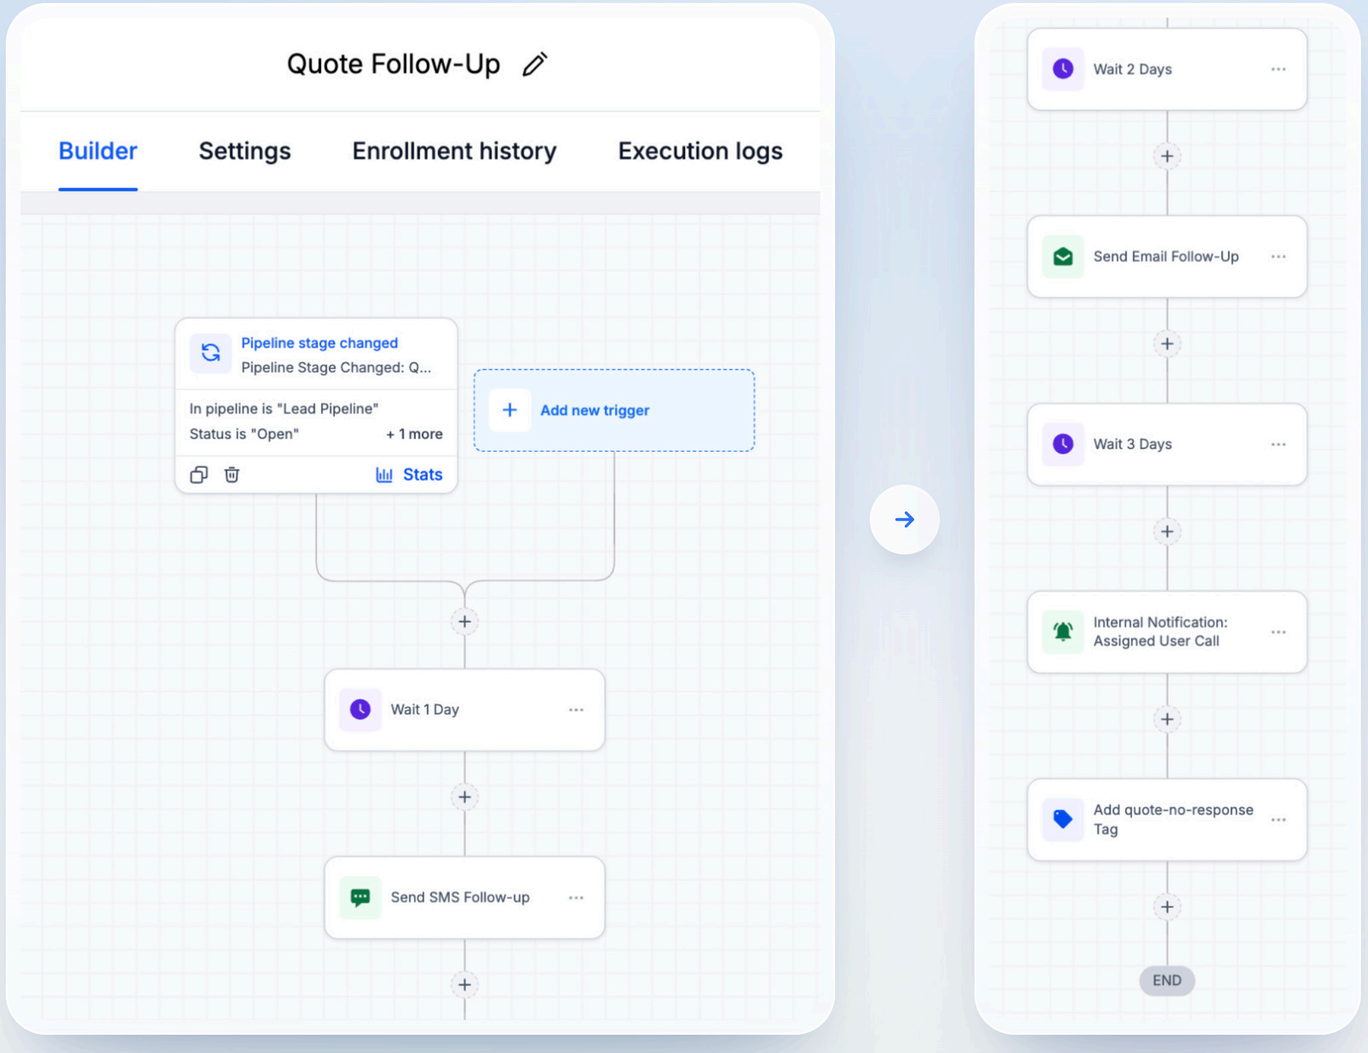

A missed call gets a text back a minute later and a callback task.

WORKFLOW 03

Quote Follow-Up

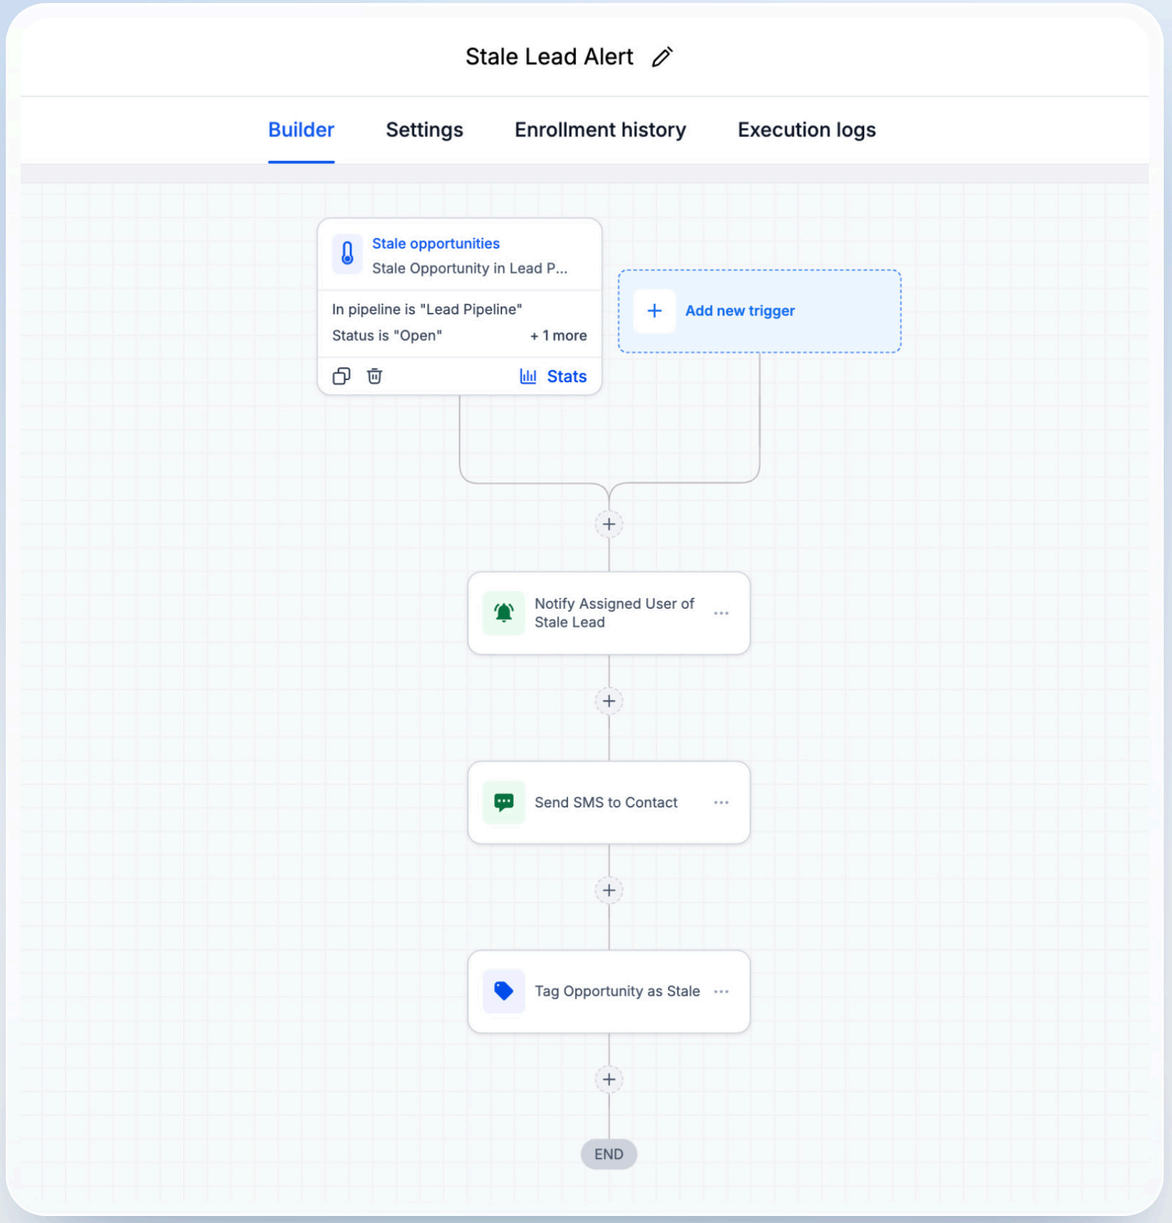

Open quotes get a text, an email, then a call alert over six days.

WORKFLOW 04

Stale Lead Alert

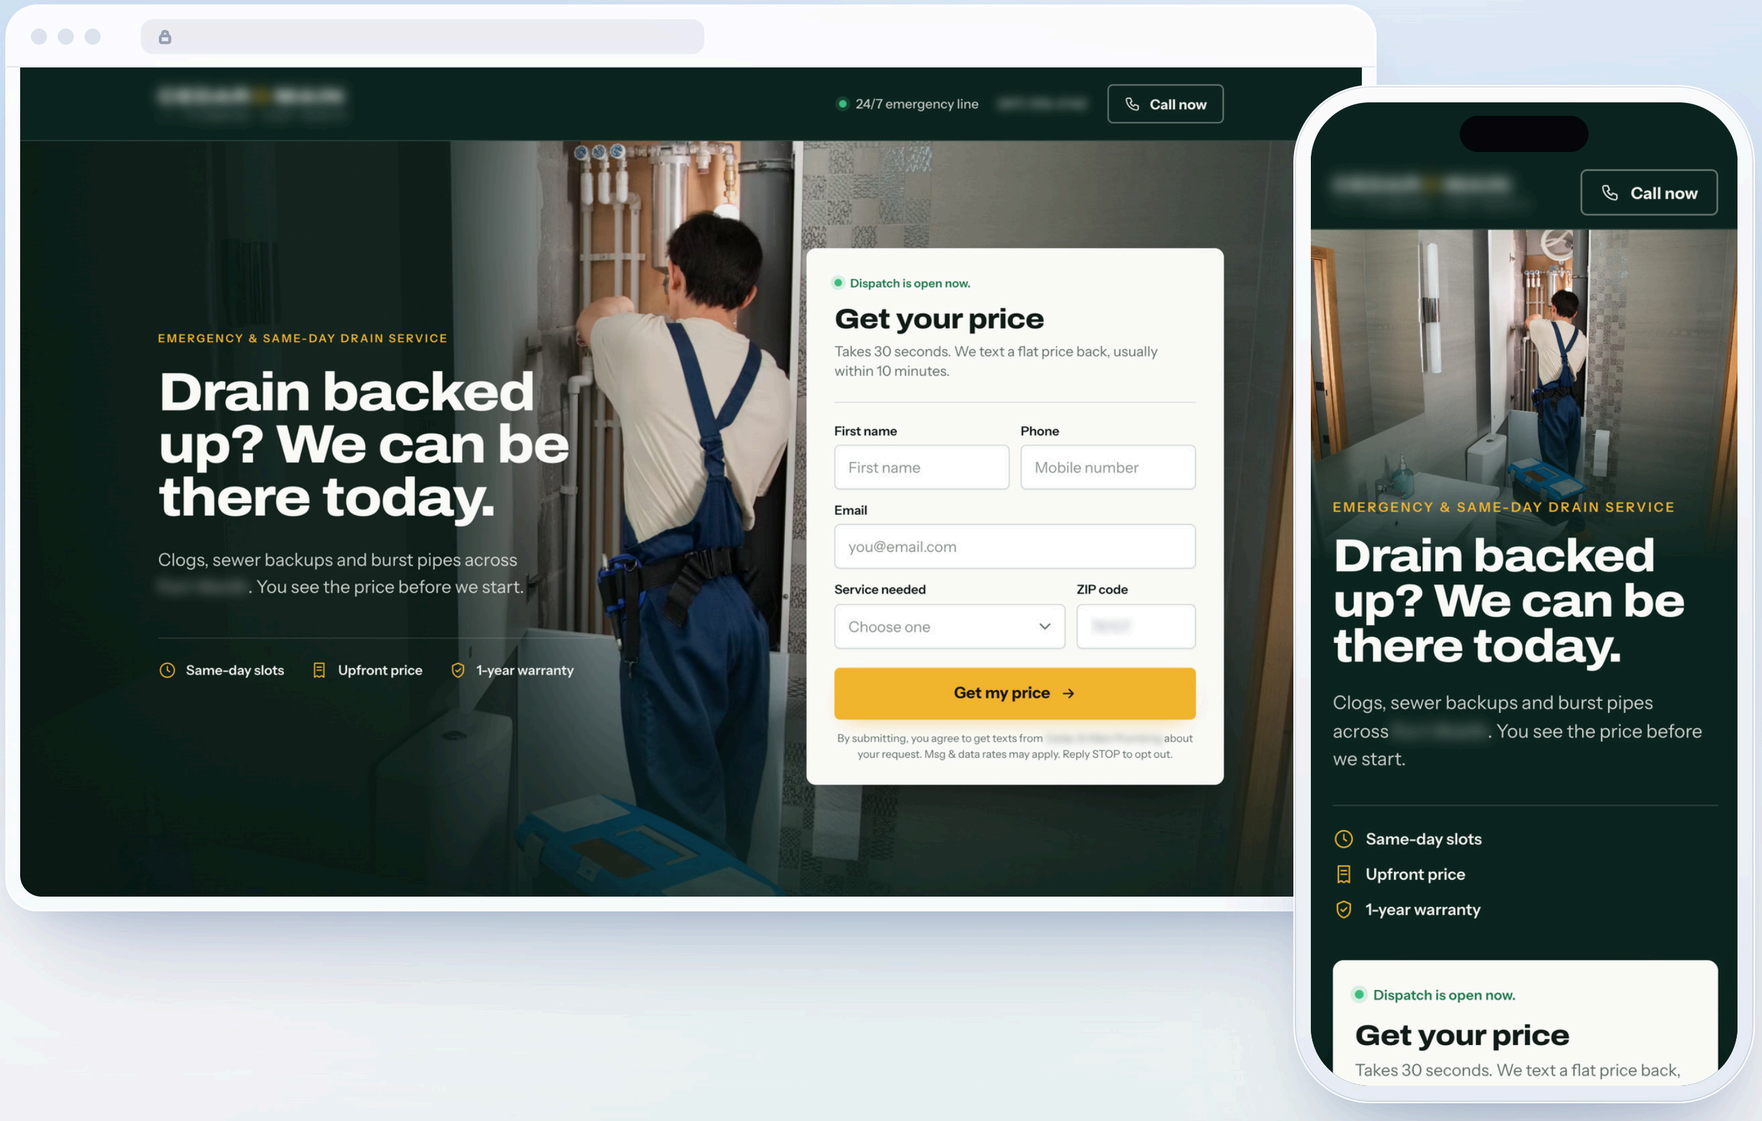

Leads with no activity for three days get flagged to the rep and a check-in text.

FUNNEL PAGE 1

Quote page

The form sits in the first screen.

FUNNEL PAGE 2

Thank-you page

After the form, the lead is told their price is coming by text.
